Subject: Important Announcement – Quality Hold of Certain Firestone Firehawk Indy 500 275/40R18 Tires

Joe and Brian,

Per the information below, BATO is only looking for THREE physical tires. It was shown that during the time period reviewed that MFI location BATO# 798936 received some of these tires. Also note, that the three physical tires show the below DOT week and specifically the three BARCODE characters.

Tires that were not ship to 798936 and do not have one of the three below BARCODES can be placed back into inventory for immediate sales or deliveries.

Bridgestone Americas Tire Operations, LLC is issuing a quality hold on **(3) Firestone Firehawk Indy 500 275/40R18 tires produced in Indonesia between August 23rd and September 12th, 2020,** to confirm the tires meet our product quality expectations**.** Our records indicate that you may have these tires in your inventory. Please review your inventory for the below:

Article	Brand	Pattern	Size	DOT Week	Barcodes
002927	Firestone	Firehawk Indy 500	275/40R18	3420 - 3620	DAFTNHB DAFTNHH DAFTO36

If you have any of the above tires with the barcodes specified, please hold the tires in your inventory at this time. We will follow-up with you with any additional information once our internal review is completed.
If you have any questions, please contact Alan Starc at 615-937-3480. Thank you for your cooperation.
