

New Release

We have released Buy America Certifications selections for the Cummins B6.7 engine for the Saf-T-Liner C2, Saf-T-Liner HDX and Saf-T-Liner EFX. Selecting the Buy America option on your order ensures that the required amount of components and assembly for the B6.7 Cummins engine are sourced in the United States. This certification is required on purchases funded by Federal Transit Administration (FTA) grants.

Features and Benefits

Additional components and assembly requirements are sourced in the United States to meet the requirements for purchases funded by Federal Transit Administration (FTA) grants.

Ordering

Sales codes for Buy America Certification should be selected in addition to the Cummins B6.7 engine choice. Approval of requested change orders to add the Buy America Certification code will be subject to material lead times.
