

New Release

We are proud to announce we are now able to release extended component warranties for our Saf-T-Liner Jouley product line. The warranties will allow customers further assurance that we are indeed standing behind this product and that it can provide the durability that they expect from Thomas Built Buses.

These warranties are available for addition to any in-house Jouley orders and can be accessed within the Chassis Upgrades portion of the configurator.

Administration of these warranties will be handled by Proterra via:

[DG\\_CustomerServiceEngineering@proterra.com](mailto:DG_CustomerServiceEngineering@proterra.com)
