

New Release

To create more standardization in our ordering process, we will now expand certain EFX driver's window sales codes to our HDX product. This will allow redundant sales codes to be discontinued and will reduce the number of part numbers to be maintained. Glass type and frame type will be determined through your option choice. This will be implemented on Saf-T-Liner HDX orders with scheduled build dates of 8/17/2020 and later.

Ordering

Feature	Description	Status
B161002000	TINTED LAMINATED GLASS - DRIVER'S WINDOW	Discontinued
