

Technical Bulletin 002/20

Date: 02 March 2020

Subject: Telephone Connection Procedure

Product: Brutale 1000 Serie Oro \ RR

As part of the process of continuous improvement of the quality of our products, we report the procedure through which it is possible to connect a telephone device to the dashboard of the Brutale 1000 Gold Series or RR version.

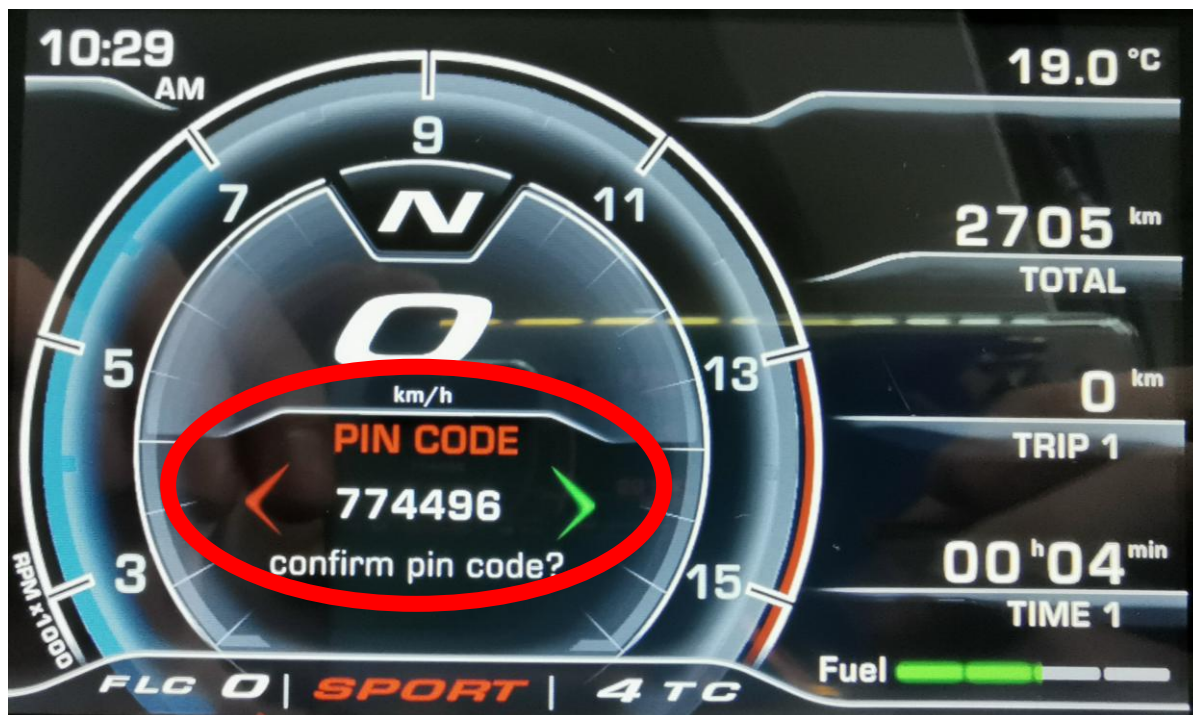

This procedure is valid for telephone devices equipped with IOS and Android operating systems.

Telephone Connection Procedure:

1. Switch on the dashboard of the bike
2. Make sure that your Bluetooth device is in "VISIBLE" mode and search for the device called "BRUTALE_1000" in the list of bluetooth devices visible to your mobile phone
3. Select "BRUTALE_1000" to pair the two device.
4. A pop-up window will appear on your mobile phone showing a pairing code:

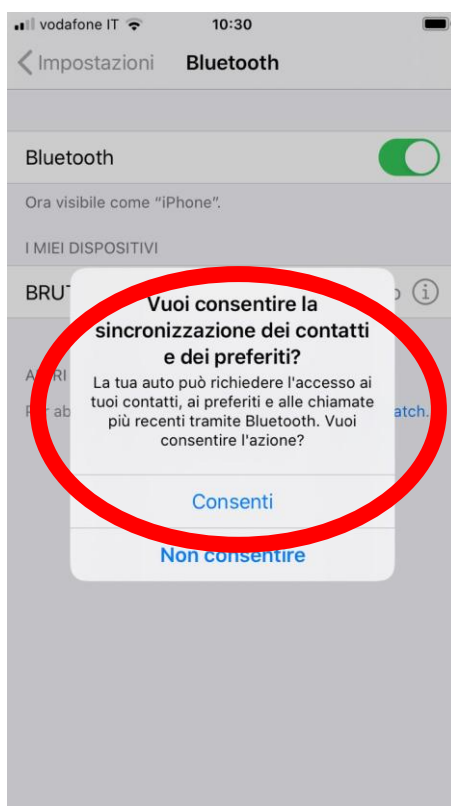

5. Simultaneously, a pairing code called "PIN CODE" appears on the dashboard of the motorcycle:

6. If the code shown on the mobile phone coincides with the one displayed on the motorcycle dashboard.

7. A second pop-up window will appear on the mobile phone screen asking to allow the sharing of contacts and favorites. Allow this sharing to access full dashboard functionality:

8. The phone is now connected to the motorcycle dashboard and the Bluetooth symbol and a bar indicating the connection status will appear at the top left next to the time:

Thanking you in advance for your collaboration, we remain at your disposal for any technical / commercial support.

Yours sincerely,
