Subject: *Up-date – Original Equipment Tires* DC-090

Dear Royal Enfield Dealers:

The purpose of this communication is to inform you of a running change of factory-fitted tire brand for Royal Enfield motorcycles from Pirelli to CEAT.

As is the case with all Original Equipment Manufacturers, tire (and other component) suppliers are changed due to various non-specification, supply chain reasons.

The Pirelli tires that had been supplied remain approved for certain Royal Enfield models (see table below).

Royal Enfield Model	Year	Tire		Item	Description
		Brand	Model		
Himalayan	2018 - 2021	Pirelli	MT60	Front Tire	90/90-21 M/C 54H
				Rear Tire	120/90-17 M/C 64S
INT 650	2019 - 2021	Pirelli	Phantom Sportscomp	Front Tire	100/90-18 M/C 56H
				Rear Tire	130/70-18 MC 63H
Continental GT 650	2019 - 2021	Pirelli	Phantom Sportscomp	Front Tire	100/90-18 M/C 56H
				Rear Tire	130/70-18 MC 63H

Please circulate this communication and the attachments to the appropriate staff within your dealership.

If you have any questions and or concerns, please contact your Regional Manager.

Sincerely,
Royal Enfield of North America
