2021 ID.4 Service Reminder Reset

Checking a service due date in the Infotainment system

- Tap the **Vehicle** function key.
- Tap the **Status** function key and the **Status** view.
- Select the **Service** menu item to display the service information.

Resetting the service display

The service display can only be reset as part of an inspection service by an authorized Volkswagen dealer or authorized Volkswagen Service Facility.

-  The service message disappears after a few seconds once the vehicle is drive-ready. Alternatively, you can press the **OK** button on the multi-function steering wheel.

For current fluid capacity charts, please refer to the Maintenance section in Elsa.
