Due to quality issues, Volvo Car USA LLC is requesting retailers to return tool 9513175 Test Adapter.

This tool was allocated to all retailers in June 2020, as part of kit 33300350, found in Special Tool bulletin 239, Newsletter 107. Depending on how retailers manage their tool inventory, this may not appear in Parts inventory, but could be stored with other special tools.

In addition, the tool is no longer to be used, and is to be taken out of service and returned to Volvo, as soon as possible.

The repair methods in VIDA have been changed to exclude this tool from being needed. Please follow current VIDA repair methods and processes for all repairs of (BEV) Battery Electric Vehicles.

At this time, there is no replacement part number being offered.

Parts Return Process

Enter discrepancy code "52" in Volvo Vision and reference this bulletin in the "Information to Supplier" fields, otherwise the return claim will be denied.

When entering discrepancy code "52," you can leave the "Invoice" field blank, since the system does not require an invoice number with discrepancy code "52."

You will receive return permission from Volvo Vision within three (3) days of transmittal.
