Subject	Request for Parts: 2017-2020 CR-V Compressor & Discharge Hose Leak
----------------	--

PRIORITY/ACTION REQUIRED

To: All Honda Service Managers/Advisors
 From: Technical Information & Support Group (formerly TRS)
 RE: Request for Parts: 2017-2020 CR-V Compressor & Discharge Hose Leak

This message is solely directed to Honda dealership personnel; please handle accordingly.
 Print this iN message and provide a copy to the Shop Foreman and all Service Advisors.

Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2017-2020 CR-Vs with a customer complaint of the A/C only blowing warm air or not blowing cold air. To better understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. A/C issue must be traced to leak in the compressor or the discharge hose.
2. Compressor has not been replaced previously.
3. No repair attempt has been made other than identifying the leak.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS – formerly TRS) at tis@ahm.honda.com. TIS will contact you to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2020)
2. Model Name (e.g. Accord)
3. Issue (e.g. Brake Judder)
4. VIN

E-Mail Body:

1. Dealer Number
2. Your Name
3. Best Phone Number to be Reached
4. Current Mileage

Thank you.
