SERVICE INFORMATION

The applied vehicles have undergone changes to the Intelligent Key system to improve vehicle security. The changes involve a different security protocol, commonly known as cryptology.

IMPORTANT:

- The two systems use a different Intelligent Key, BCM, and Intelligent Key antennas. The components of the new and old systems are **NOT** interchangeable.
- Once an Intelligent Key is programmed to a vehicle with the **NEW** Intelligent Key system, it cannot be reprogrammed to any other vehicle.

Nissan Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. NOTE: If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Nissan dealer to determine if this applies to your vehicle.
