Reason for this Quarantine Notice

Aston Martin has found that some DBX vehicles have slow window speed when the front windows are opened or closed.

Do the workshop procedure that follows to do a check of the alignment of the front door glass and, if necessary, adjust and set the front door glass.

Workshop Procedure

1. Check and if necessary adjust and set the left side front door glass (refer to Workshop Manual Procedure 31.05.ND).
2. Check and if necessary adjust and set the right side front door glass (refer to Workshop Manual Procedure 31.05.NB).
