**2015-2017 MY SEDONA POWER SLIDING DOOR LATCHING  
NEW VEHICLE LIMITED WARRANTY EXTENSION**

**PLEASE KEEP THIS LETTER IN THE GLOVEBOX OF THE VEHICLE**

March 5, 2021

Dear Kia Sedona Vehicle Owner:

Kia Motors America, Inc. takes pride in providing you with high quality and dependable vehicles. In order to maintain these standards, Kia is extending the New Vehicle Limited Warranty coverage, **to all owners** of 2015-2017 MY Sedona vehicles equipped with Power Sliding Doors, for Power Sliding Door difficulty latching issues from 5-years/60,000-miles to 15-years/unlimited-miles starting from the date the vehicle was first put into service. The power sliding door may not completely latch upon closing.

**Warranty Extension Coverage:**

- If, at any time within the extended warranty period, you experience the power sliding door not completely latching, your authorized Kia dealership will diagnose the cause **at no cost to you.**
- If the diagnosis indicates the condition is caused by the Power Sliding Door Drive Unit, Remote Controller, or Door Latches, which are the main components that can cause this condition, Kia will replace the part on your vehicle **at no cost to you.**
- This supplement to Kia's New Vehicle Limited Warranty does not alter the limitations and exclusions contained in that New Vehicle Limited Warranty including incomplete latching due to abuse, neglect, or external damage to the power sliding door assembly.

**What Should You Do?**

- In the event your power sliding door does not latch completely upon closing, the open-door indicators, including chimes, dashboard telltales, and dome lights, would activate. Additional audio and visual alerts would activate as the vehicle starts to be driven away with a power sliding door not fully closed. If these symptoms occur, contact the nearest authorized Kia dealer to have your vehicle diagnosed.
