PAB1115: HANDLEBAR FITMENT MATRIX UPDATE

Purpose for Parts and Accessories Bulletin

To inform dealers that the Handlebar Fitment Matrix has been updated to include clutch cable kits for 2021 Touring fitments and timing for when the kits will be available to order and ship.

Markets Affected

All markets are affected.

Summary

Updated version of the Handlebar fitment matrix has been published, effective immediately, including new part numbers for 2021 Original Equipment (OE) finish clutch cable kits.

Orders for all clutch cable kits for 2021 Touring fitments can be placed effective Monday, March 9, 2021.

Diamondback & Diamondblack clutch cable kits are expected to be available no earlier than September 2021, additional communication will be made when available.

Questions

Contact Technical Service with any concerns regarding application. Direct all other questions to the Dealer Services Representative.
