TOL NOTICE (US&CA) – March 17, 2021

TOL Ref. # 17896-PAC

ROCKET 3 WEATHERPROOF PACKAGES SHIPPING

As announced in TOL Ref. # 15750-PAC, Triumph discovered that Rocket 3 Genuine Accessory Pannier Covers created a leak path when installed and exposed to water in normal wet riding conditions. To address the situation, it was announced that Triumph would supply a revised weather pack to include redesigned waterproof Pannier Covers and a pair of waterproof pannier inner roll bags.

This “Pannier Covers Kit” is bundled as part number A9510693 and packaged together as seen in the adjacent image. The kit has now arrived and will be auto shipping this week to all dealers who have previously ordered Rocket 3 Accessory Panniers at no cost to the dealerships.

This pack is intended to address the discovered leak issues with the original Rocket 3 Pannier Covers and should be provided at no cost to any of your customers who have purchased Rocket 3 Genuine Accessory Panniers.

While a part number exists, this pack will not be made available for additional dealer orders and will not be found in the EPC.

Thank you and if you have any additional questions, please contact Triumph Customer Support at (888) 284-6288.
