WARRANTY INFORMATION LETTER

No. WI21-011

Release 04/26/2021

Effective 04/26/2021

Subject Detroit Engine GHG and Euro V Parchments

❖ Engine
Parchments
Released

DTNA is pleased to announce the release of two (2) Detroit engine parchments for different emission regulations:

- On-Highway DD13, DD15, and DD16 (WAR606-10): Updated to include GHG21 (Gen 5)
- On-Highway DD13 and DD15 (WAR606-11): New Euro V document created

❖ Using
Parchments

Parchments are intended for general information and contain three (3) sections:

- Time and distance table
- Coverage description (paragraph matches OWL)
- The *New Product Limited Warranty Statements* section of the DTNA Warranty Manual

Access the new parchments in the Warranty Literature collection on DTNAConnect: *Other Warranty Documents > Coverages > Detroit > [On-Highway Diesel](#)*.

Please note that a unit's actual coverage may vary as Warranty is determined by individual specifications, gross combination weight rating, road surface, vocation, etc. For unit-specific coverage, enter a product serial number or vehicle identification number (VIN) on the *Coverage Info* screen in OWL.
