M1525: 2021 PAN AMERICA - FAIRING LOWER RUNNING CHANGE

Purpose for Service Bulletin

Is to inform dealers that there has been a running change to the 2021 Pan America fairing lowers. The only service replacements offered are the revised version of the fairing lowers. If a cosmetic issue is discovered during Predelivery Inspection (PDI), order and replace both left and right fairing lower components. The replacement of both components only applies to vehicles built before the running change.

Motorcycles Affected

2021 Pan America

Markets Affected

All markets are affected.

Part Numbers

Table 1. Part Numbers

Part No.	Item Description
57100348A	FAIRING LOWER, right, water cooler, outlet
57100349A	FAIRING LOWER, left, water cooler, outlet

Required Dealer Action

If a cosmetic issue is discovered to the lower fairings at PDI, or a warrantable issue is seen during the warranty period, then replace both left and right side components. File the appropriate warranty claim. If one of the lower fairings is replaced as a non-warrantable concern, replacement of the opposite side would be non-warrantable as well.

Return Parts

Hold all claimed parts for 60 d from date of credit issued for possible field inspection and/or request to return to factory. After 60 d, destroy and discard the parts.

NOTE

In the interest of preserving customer safety and satisfaction, always check for outstanding recalls whenever any motorcycle is brought into your dealership for either maintenance or service.
