

Service Bulletin

Date: April 12, 2021

Dealership: _____

Subject: 2019+ GM 1500 Series Upgraded Upper Control Arm Kit

VIN: _____

Description:

Tuscany Motor Company ("Tuscany") is requiring that the above referenced truck(s) be changed and upgraded with a new upper control arm kit manufactured by BDS Suspension that is included in this box.

Tuscany will reimburse your dealership for the labor to install the new upper control arm and to perform a front-end alignment. Tuscany will allow up to \$400 including the alignment for the update. For any questions or concerns regarding invoices or payment please contact service@drivetuscany.com

The instructions are included in the box.

Please do this procedure immediately and prior to the retail sale.

If you have any technical questions, please contact Chris Roes at croes@drivetuscany.com

Tuscany Motor Co.
2811 Tuscany Drive
Elkhart, IN46514
