

	VOLUME 3	GROUP Body	MODEL 2009 Borrego
		NUMBER 041	DATE November 2008

TECHNICAL SERVICE BULLETIN

SUBJECT: SERVICE ACTION: REAR TAILGATE ACTUATOR ASSEMBLY GEAR & COVER REPLACEMENT (SA002)

This bulletin provides information relating to the rear tailgate actuator assembly gear and cover replacement. Some 2009MY Borrego vehicles produced between 05/09/2008 and 07/21/2008 may have an intermittent or non-functional rear tailgate actuator assembly gear. In this condition the rear tailgate actuator assembly gear and external cover are replaced.

Rear tailgate actuator assembly (External Cover Removed)

***NOTICE**

A Service Action is a repair program without customer notification that is performed during the warranty period. Any dealer request to perform this repair outside the warranty period will require DPSM approval.

VIN inquiry data for this repair is provided for tracking purposes only from the Campaign Inquiry Screen, located within the Warranty Coverage Validation Inquiry section of the Dealer Communications System (DCS).

The issue number is SA002.
