At Ford Motor Company, we are committed not only to building high quality, dependable products, but also to building a community of happy, satisfied customers. To demonstrate that commitment, we are providing a no-charge Customer Satisfaction Program for your vehicle with the VIN shown above.

**Why are you receiving this notice?** On your vehicle, the engine's secondary timing chain tensioner may not have been properly activated during assembly, which can result in a loss of camshaft timing.

**What is the effect?** Camshaft timing loss may result in internal engine damage, a rough running engine, and/or engine misfires.

**What will Ford and your dealer do?** In the interest of customer satisfaction, Ford Motor Company has authorized your dealer to perform a mobile or in dealership inspection free of charge (parts and labor) under the terms of this program.  
This Customer Satisfaction Program will be in effect until April 30, 2022 regardless of mileage. Coverage is automatically transferred to subsequent owners.

**How long will it take?** The time needed for the mobile or in dealership inspection is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time. If a repair is determined during the mobile inspection, your vehicle will be towed and repaired at your local dealership.

**What should you do?** Please call your dealer without delay to schedule a service appointment for Customer Satisfaction Program 21B26. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter.  
If you do not already have a servicing dealer, you can access [owner.ford.com](http://owner.ford.com) for dealer addresses, maps, and driving instructions.  
Ford Motor Company wants you to have this service action completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this service action

performed on a timely basis. Therefore, please have this service action performed as soon as possible.

NOTE: You can receive information about Recalls and Customer Satisfaction Programs through our FordPass App. The app can be downloaded through the App Store or Google Play. In addition there are other features such as reserving parking in certain locations and controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.

**Mobile Inspection**

With customer authorization, Ford has authorized your local dealership to inspect your vehicle at a convenient time and location.

**COVID-19
