USA Only

Porsche Special Tools and Equipment will release the remaining tools for the Pinout Tool Box to finish the project, starting CW21/21, Monday, May 24, 2021. The tools will be released as they become available at Snap-on. Each tool's availability will be noted under the tool description. All vehicle test adapters have been tested at Technical Training and are being used during class instruction. If you have any questions about these tools, please feel free to reach out to Porsche Special Tools & Equipment at askthetoolguy@porsche.us
