SUBJECT: Field Repair 515-1
 Model 220 Euro 6 Retrofit
 The affected VIN's are shown on the opposite side of this page

Dear Peterbilt Customer:

Peterbilt Motors has determined that certain Model 220 vehicles are eligible for replacement of pre-production parts with production parts. This letter is to inform you that the vehicle(s) represented by the VIN number(s) in this letter are eligible for this Field Repair.

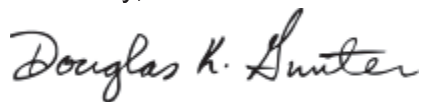

<i>The problem is...</i>	Pre-production parts are installed on the vehicle
<i>What your dealer will do...</i>	Install production parts on the vehicle
<i>What you must do ...</i>	Contact your Peterbilt Dealer to schedule an appointment for repair

Please contact your Peterbilt Dealer and make an appointment as soon as practical. You can find the nearest Peterbilt dealer at Dealer Locator on the website www.Peterbilt.com. When contacting your selected Peterbilt dealer, refer to campaign 515-1 and the VIN listed on this letter.

A scheduled repair will take up to 3 hours and there will be no charge to you for this work.

We apologize for any inconvenience this preventative measure may cause, but ask for your participation to provide reliable service and continued satisfaction with your Peterbilt Truck.

Sincerely,

Doug Gunter
Director of Warranty
Peterbilt Motors Company
