Involved Region or Country	North America
Condition	General Motors Technical Assistance Center part restriction on the 3.6 LF4 engine for the ATS-V has ended. We would like to thank all dealers who participated in this restriction for their cooperation.
Cause	This engine production has restarted and is available

Correction:

General Motors Technical Assistance Center part restriction on the 3.6 LF4 engine for the ATS-V has ended.

We would like to thank all dealers who participated in this restriction for their cooperation.

This engine can now be ordered through the regular GM CCA parts process or PQC process for required dealers (Canada).

Use the vehicle identification number (VIN), SI, and the GM Electronic Parts Catalog to determine the correct part to order.
