

SERVICE ALERT

**BRAKE PEDAL KICK BACK/CLAIMED
BOOSTER ENHANCEMENT PROGRAM
AADD0-TECHASSIST CASE REQUIRED**

SERVICE ALERT NO: SA-21-003
DATE: 6-10-2021

SUBJECT VEHICLES:

- 2019 - 2020MY COE 195, 195h
- 2013 - 2018MY COE 195, 195h **ONLY for a second repair** (after WEP AADD0)

OVERVIEW:

Brake pedal kickback: Note, if the brake pedal is applied very rapidly (hard or softly) you may feel a slight kick back sensation as the accumulator releases pressure for a panic stop, this is normal.

REPAIR PROCEDURE:

Open a TechAssist case through HinoNet describing the concern in detail.
