Number

21KWD / 2021-287

Supplier

Kenworth Truck Company

Description

Recall 21KWD: Daytime Running Lamp Functionality

Date

6/14/2021

What's New

Safety Recall – Interim Notification - The Daytime Running Lamps (DRLs) may turn off while the vehicle is in motion and the headlamps, fog lamps or turn signals are not on. This is non-compliant with Canadian Regulation CMVSS 108, which states that the DRLs must be on while the vehicle is in motion without certain other lamps being activated. This bulletin will be updated when a repair is available.

Introduction

Kenworth Truck Company has determined that a non-compliance, which relates to motor vehicle safety, exists in certain model year 2019-2022 T280, T380, T680, T880, and W990 vehicles manufactured between 04/04/2018 and 05/03/2021.

This is non-compliant with Canadian Regulation CMVSS 108, which states that the DRLs must be on while the vehicle is in motion without certain other lamps being activated.

Situation

5,292 chassis (62 U.S. and 5,230 Canada) T280, T380, T680, T880, and W990 chassis model year 2019-2022, built from 04/04/2018 through 05/03/2021 equipped with Daytime Running Lights (DRL).

Resolution

This bulletin will be updated when a repair is available.

Federal Law

It is a violation of Federal law for a dealer to sell or lease new vehicles covered by this recall until the defect or noncompliance has been corrected.
