Pivi Software Recovery App

20-21MY L663, 21MY Discovery Sport, Discovery, Evoque, Velar, F-PACE, E-PACE, I-PACE, XF

Customer Voice:

- Navigation displays current location as Berlin, Germany

Technical Description:

- GPS software corrupted after running Pivi Recovery App

Status:

- PIVI Recovery has been removed as of Pathfinder 328 until PIVI 30.2 release which is currently scheduled for 01-July
- Latest available software is IP27.2 which has been re-released with campaign 2.0.10e on 11-May for vehicles not currently on 27.2
- TA cases should be raised for vehicles at IP30 with the GPS firmware issue.
