PURPOSE
This bulletin contains important new model service information and features for the 2022 Outlander PHEV (U.S. models only). Review the details that follow to familiarize yourself regarding new features and options. Refer to the 2022 Outlander PHEV Service Manual on MEDIC, MDL, or CD (p/n MSCD-027B-2022), and the Owner's Manual for details on these and other features.

The 2022 Outlander PHEV has the same enhancements as 2021 for this last year of its life cycle: more power, torque, range, enhanced acceleration in the city/on the highway and expanded reaction range of the gas pedal for a sure start in snowy/icy conditions.

SERVICE INFORMATION
See TSB-21-00-012 for Technical Specifications on the 2022 Outlander PHEV

NEW FEATURE HIGHLIGHTS

- New engine and PHEV updates bring more power, torque and range
- 2.4L engine replaces 2.0L
- Rear Motor: increased from 60kW to 70kW
- Improved synchronization between battery and engine
- Improved PHEV App Interface
## EXTERIOR
- 18" dark chrome wheels
- Dark chrome front grill
- Tailgate finisher

## INTERIOR
- Driver seat power lumbar support
- Second row seat shape change for improved seating comfort
- New GT Premium Interior Package

## ENGINE
- 2.4 MIVEC DOHC 4-cylinder

## EV DRIVE FEATURES
- 13.8 kWh Lithium-ion drive battery

## CONVENIENCE
- Twin Motor S-AWC drive mode selector with SPORT mode

## SAFETY
FCM/LDW/AHB
Forward Collision Mitigation (FCM) w/Pedestrian Detection, Lane Departure Warning (LDW) and Automatic High Beam (AHB) systems are standard on all 2022 Outlander PHEV.

Forward Collision Mitigation (FCM)  
Lane Departure Warning (LDW)  
Automatic High Beam (AHB)
CONVENIENCE

MITSUBISHI POWER SOUND SYSTEM (MPSS)

Standard on all Outlander PHEV trims and above is the Mitsubishi Power Sound System (MPSS). This premium sound system replaces the previous Rockford Fosgate system. The MPSS features 8 total speakers with titanium diaphragm and aluminum cone for clear and natural sound.
LE TRIM FOR 2022

EXTERIOR*
To further enhance the Outlander PHEV, the new LE exterior trim includes:

- Black outside mirrors
- Dark chrome front grill accents
- Black front skid plate
- Dark chrome front lower valence accents
- Gloss black roof rails
- Dark chrome tailgate garnish
- Black rear lower valence
- Black 18" alloy wheels
- Black belt line molding

*Pictures do not necessarily reflect final product and are used as a guide for overall looks.

LE TRIM FOR 2022

INTERIOR*
To further enhance the Outlander PHEV, the new LE interior trim includes:

- Red stitching on steering wheel and shifter
- Silver/CARBON dash and door garnishes
- Black headliner and pillars
- Red stitching on seats, door, console and meter
- Gloss black shift lever
- Matte black lower shifter area
LE TRIM FOR 2022
(Continued)

INTERIOR

New Drive Mode Switch
Adopted to improve operation between Normal, Snow and Lock modes.

An additional switch has been added for SPORT mode.

SPORT mode enhances acceleration in the city and on the highway.

SNOW mode expands the reaction range of the gas pedal for a sure start in snowy or icy conditions.

When the Drive mode switch is operated, the list of selectable drive modes are shown on the multi-information display to choose the requested drive mode conveniently.

Sport mode can be selected directly by pushing the switch regardless of the current mode. After SPORT mode is selected, the selection information is shown in the multi-information display.

RECONFIGURED CHANGE / EV MODE CONFIGURATION
EV switch is moved from the floor console to the shift indicator panel.

SAVE and CHRG switch are now combined.
