**IMPORTANT ORIGINAL EQUIPMENT MANUFACTURER
RECALL**

This notice applies to your vehicle. See attached serial number list.

NHTSA Safety, FMVSS Compliance, or Emissions Recall

Dear Altec Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act and the Canada Motor Vehicle Safety Act.

Altec Industries, Inc. has received notification from an Original Equipment Manufacturer (OEM) that a condition exists relating to motor vehicle safety, compliance, or emissions in a vehicle you possess that is equipped with Altec equipment.

Refer to the attached documentation that follows this letter. If you have additional questions, please contact your Altec Account Manager. You may also contact the OEM using the contact information provided in the attached recall notice.

For US owners: after contacting the OEM according to the attached notice, if you are still not able to have the safety condition remedied within a reasonable time, you may write to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. If you have sold or retired the unit please call Altec at 1-877-GO-ALTEC (1-877-462-5832) so the records may be changed.

If you have leased this equipment to another person or company, you are required by Federal Law to forward a copy of this notice to the lessee by first class mail within ten (10) days of the receipt of this notice.

We appreciate your assistance in following this action in the interest of your safety and continued satisfaction with Altec products.

Thank you for your immediate attention on this important matter.

CSR 519

Component/Supplier Recall

July 26, 2021

Units Affected: Certain 2021 HV®, LT®, MV®, and RH® series trucks built from July 28, 2020 through October 2, 2020 with a Bendix air brake system. (Verify that your unit is affected by reviewing the attached list in this CSR or by accessing your fleet on connect.altec.com/login)

International 21503 — Bendix Air Brake System Check Valve Leak (NHTSA Recall 21V-227)

Altec is committed to providing our customers reliable products from initial delivery throughout the useful life of the machine.

Navistar has decided that a non-compliance which relates to motor vehicle safety exists in certain 2021 HV®, LT®, MV®, and RH® series trucks built from July 28, 2020 through October 2, 2020 with a Bendix air brake system.

Contact your International dealer, a Love's Truck Tire Care, or a Speedco location to schedule a service date to perform the recall. Love's and Speedco locations in Texas are not able to perform warranty services. Refer to the included communication from the dealer for additional information.

Altec is not able to complete this repair.

This repair is not covered under the Altec Warranty policy.

A NAVISTAR COMPANY

IMPORTANT SAFETY RECALL 21503 NHTSA RECALL NO. 21V-227

This notice applies to your vehicle identified on the enclosed card.

Dear INTERNATIONAL® Customer,

This notice applies to your vehicle identified on the enclosed card. This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Navistar has decided that a non-compliance which relates to motor vehicle safety exists in certain 2021 HV®, LT®, MV®, and RH® series trucks built 07/28/2020 thru 10/02/2020 and built with a Bendix air brake system.

REASON FOR THIS RECALL

Certain HV®, LT®, MV®, and RH® series trucks do not conform to Federal Motor Vehicle Safety Standard (FMVSS) 121 relating to the secondary air brake system.

RISK TO MOTOR VEHICLE SAFETY

A truck that does not conform to all the requirements of FMVSS 121 when operating, may experience a spring brake check valve internal air leak resulting in an uncommanded spring brake application and increase the risk of a crash.

DEFECT REMEDY

The repair will involve replacement of a single check valve installed on the relay valve. Authorized repair locations have parts and instructions to repair your vehicle. The repair will be performed free of charge and take approximately 45 minutes to complete.

ACTIONS YOU SHOULD TAKE

If you own this vehicle, please contact any INTERNATIONAL® dealer or a Love's Truck Tire Care or Speedco* location to have your vehicle repaired at no cost to you. You can find your nearest service location by calling 1-800-448-7825 or by using the

service locator at <http://www.internationaltrucks.com> or <https://www.loves.com>.

*Love's and Speedco locations in Texas cannot perform warranty services.

If you have already paid for repairs prior to this notice that corrected the defect, you may be eligible for reimbursement of certain repair expenses if they occurred 04/01/2020 thru 06/07/2021. Present your original repair paperwork and proof of payment to any INTERNATIONAL® dealer and your eligibility will be reviewed. You may also submit a claim using the enclosed Request for Reimbursement card.

If you are the lessor of this vehicle, please forward a copy of this notice to the lessee within ten days to comply with federal regulations.

If you do not own this vehicle, please fill out and return mail the enclosed card so that you will not be contacted again about this recall.

IF YOU NEED FURTHER ASSISTANCE

If you believe that Navistar has failed to remedy the noncompliance without charge or within a reasonable time, please follow the procedure described in the Owner Assistance Guide section in your Owner's Manual or call toll free 1-800-448-7825.

You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE, Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Navistar requests your prompt attention and patience regarding the correction of this defect and apologizes for any inconvenience this may cause you.
