Cummins Inc Safety Recall 21E-032

July 8, 2021

Fuel Rail Assembly May Leak

Dear Tiffin Motorhome Customer,

Please see the enclosed letter from Cummins Inc, about a safety recall Cummins is in the process of developing a remedy for. This is an interim notice and the fix has not yet been finalized. Cummins will mail a second letter when the fix is available. For any questions regarding this safety recall, please contact Cummins Care at 1-800- CUMMINS (1-800-286-6467) or visit their website at care.cummins.com

Thank you for your attention to this matter,

Tiffin Motorhomes Recall Department
