Product Improvement Notice - New fasteners for spring leaf/tie plates for 5.2k-8k axles

Dear Valued Customer:

Please be advised we intend to change the fasteners for our spring leaf/tie plates on 5.2k to 8k axles from a washer/nut combo to a flanged nut.

The change is being made to improve internal production processes, there is no change for the OEM customer in installation or operation.

- Current washer/nut part numbers – 170997 and 182274.
- New flanged nut – 2020221022

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Mason Ogle
