Porsche Special Tools & Equipment has acknowledged dealer comments from AfterSales about not being able to handle the magnitude of current campaigns and upcoming campaigns, especially concerning programming of Porsche vehicles. To ensure that every dealer is able to work with our customers in an efficient manner, Porsche Special Tools & Equipment will move to make it mandatory for every dealer to own one VAS 5908 per technician stall per dealer, service factory, or service center.

This bulletin replaces bulletin SPTL1904, dated March 20, 2019 and SPTL1686, dated December 2, 2016.
