

2021MY Nautilus  
G21A-2 (ECG)  
1.3.0

Your system is up-to-date. The most recent update includes the following:

Lincoln Enhance 1.3.0

Refinements, software bug fixes

This is a routine update where we make minor changes to refine feature performance and the sense of sanctuary within your Lincoln. Ongoing updates like this help ensure that you'll always be driving the best possible version of your Nautilus.

2021MY Nautilus  
G21A-2 (TCU)  
1.4.0

Your system is up-to-date. The most recent update includes the following:

Lincoln Enhance 1.4.0

New SecuriAlert™

SecuriAlert gives you extra peace of mind by alerting you through the latest version of the Lincoln Way™ App whenever your hood, trunk or a door is opened. SecuriAlert is an early release for you to explore so we can better understand your interest in the feature. Ongoing updates like this help ensure that you're always driving the best possible version of your Nautilus.

2021MY Nautilus  
G21A-3 (ECG)  
1.6.0

Your system is up-to-date. The most recent update includes the following:

Lincoln Enhance 1.6.0

Refinements, software bug fixes

This is a routine update where we make minor changes to refine feature performance and the sense of sanctuary within your Lincoln. Ongoing updates like this help ensure that you'll always be driving the best possible version of your Nautilus.

2021MY Nautilus  
G21A-3 (SYNC)  
1.7.1

Your system is up-to-date. The most recent update includes the following:

Lincoln Enhance 1.7.1

Feature enhancements, software bug fixes

Making your Lincoln even more effortless to interact with.

Navigation now automatically makes helpful destination suggestions (that can be deactivated if you desire), plus new cloud connectivity now combines conversational voice command recognition with internet-based search. You will now get the latest info with almost every request.

Apple CarPlay® compatibility displays on-screen turn-by-turn navigation in your instrument cluster.

Finally, the user-profile icons on your SiriusXM® with 360L\* screen will be a bit bigger, and there were a couple of software bug fixes.

Ongoing updates like these help ensure that you're always driving the best possible version of your Nautilus. Keep in mind that update availability varies by model.

\*SiriusXM with 360L is only available on select Model Year 2021+ vehicles equipped with SYNC 4. SiriusXM with 360L: Certain features and/or content may not be available unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription package.
