

Preliminary Information

PIP5709P Dual Clutch Transmission Part Restriction Has Ended Models

Brand:	Model:	Model Years:	VIN:		Engine:	Transmissions:
			from	to		
Chevrolet	Corvette	2020 - 2021	All	All	All	M1L

Involved Region or Country	North America
Condition	Any internal transmission related complaints.
Cause	Root Cause analysis

General Motors Engineering part restriction on the transmission for the 2020/2021 Chevrolet Corvette has ended.

We would like to thank all dealers who participated in this restriction for their cooperation.

This transmission can now be serviced please see parts catalog and service information for serviceable components as not all items are repairable.

If the unit requires replacement this transmission can now be ordered through the regular GM CCA parts process.

Use the vehicle identification number (VIN), SI, and the GM Electronic Parts Catalog to determine the correct part to order.
