Emissions Recall: 2020 Accord Fuel TankSupersedes 21-020 dated March 12, 2021, to revise the information highlighted in **yellow****AFFECTED VEHICLES**

Year	Model	Trim	VIN Range
2020	Accord	ALL	Check the iN VIN status for eligibility.

REVISION SUMMARY

AFFECTED VEHICLES, 2020 Accord Hybrid was removed. Refer to bulletin 21-076 Emissions Recall: 2020 Accord Hybrid Fuel Tank.

BACKGROUND

American Honda is announcing a **STOP SALE** and emissions recall for certain 2020 Accord vehicles for improperly manufactured fuel tanks that may cause the vehicle to release excessive evaporative emissions. During the manufacturing of certain fuel tanks, a protective layer was not properly applied. An improperly manufactured fuel tank may cause the release of evaporative emission air pollutants at levels that exceed state and federal standards.

If this temporary placeholder bulletin appears during an iN VIN status inquiry, the vehicle is subject to an emissions recall. Any affected vehicles in your dealer inventory are on **STOP SALE** until further notice. Refrain from calling Tech Line for updates. This placeholder will be updated as information becomes available, along with an updated iN message.

Parts are currently unavailable. We are working to prepare countermeasure parts as soon as possible and will notify you when parts become available. Please be advised that customers will still be able to register their vehicles with their respective department of motor vehicles at this time. For any questions or concerns customers may have, you may have them contact American Honda's Customer Support & Campaign Center at **1-888-234-2138**.

END

CUSTOMER INFORMATION: The information in this bulletin is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely maintain your vehicle. These procedures should not be attempted by "do-it-yourselfers," and you should not assume this bulletin applies to your vehicle, or that your vehicle has the condition described. To determine whether this information applies, contact an authorized Honda automobile dealer.
