## Condition

Audi of America is requesting your cooperation in supplying us with the technical information vital to the successful launch of the Audi MY22 A3NF. The procedure outlined below is mandatory for all dealers and should be followed when the first Audi MY22 A3NF arrives at your dealership until further notice.

### Note:

The Repair Authorization Process should not be followed for routine maintenance services and PDI inspections. If an issue is found during PDI, please follow the process outlined in the *Service* section.

## Technical Background

Not applicable.

## Production Solution

Not applicable.

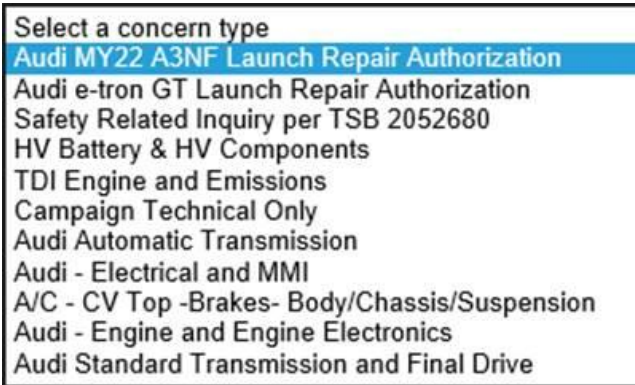

## Service

1. Verify the customer's concern.
2. Begin GFF diagnosis. Do not remove any part or disconnect electrical connections.
3. Create a TAC ticket using the Technical Assistance Center System in Elsa.
4. Select **Audi MY22 A3NF Launch Repair Authorization** in the Concern Type field as shown below (Figure 1).

5. Describe the customer's concern with as much detail as possible. Fill in all required fields.
6. Include your cell phone number in the TAC ticket. The TAC consultant will use this number to contact you so you can be near the car during the conversation.
7. Attach the GFF Diagnosis Log and photos of the concern.
8. Activate the TAC ticket promptly by calling the TAC for further instruction before carrying out any repairs.

Within one hour of receiving the technician's call, our Launch Team will either provide a repair plan or make the decision to send a Launch Team member to your dealership. If there is no response within the hour, the technician may proceed with the repair.

Through the Audi Launch Allowance Program, Audi dealers may claim **30 time units** when a TAC ticket is properly opened and **30 time units** when the TAC ticket is closed with appropriate attachments and detailed repair information. Dealers may claim an additional **40 time units** when requested parts are sent within 48 hours to the Warranty Parts Return Center.

Further instructions on how to claim the additional time units can be found in the Audi Warranty Service Circular AWA-21-07 dated September 10<sup>th</sup>, 2021.

## Warranty and Parts Return Process:

The Audi Warranty Parts Return Center will notify the dealership of a part return on all closed Audi TAC case numbers within one (1) business day.

Warranty Parts Return Center personnel will:

- Contact the Parts Manager to confirm part availability for each part request.
- Create a shipping request in the Warranty Parts Portal (WPP).
- Contact the dealership if the requested part(s) is not picked up by FedEx in 48 hours.

Dealership personnel should:
