2020 :: Canyon Star, Kountry Star, Ventana, Dutch Star, Super Star

DESCRIPTION

Newmar Corporation has decided that a defect, which relates to motor vehicle safety, exists in specific motorhomes. On certain motorhomes equipped with a Dometic propane gas stove, there could be an odor of propane gas after a short period of use.

ISSUE

If a user attempts to tighten the bolt for the stove's valve in order to stop the smell, they could over-tighten the bolt and cause damage to a seal. This can result in a constant gas leak. A propane gas leak could create the risk of a fire or explosion. If you smell propane gas inside your motorhome, you should evacuate and turn off the gas supply immediately.

UNITS AFFECTED

Please refer to the attached population list for affected units and VINs.

CORRECTIVE ACTION

Newmar Dealers will install a Dometic remedy kit of gaskets, washers, thread locker bolts, and two round orange labels, free of charge.

DEALER ACTION

Obtain the Cooktop model and serial number, then contact your Newmar Service Account Manager to obtain authorization and order parts for the recall. Verify the model number and serial number are on Dometic's attached affected model and serial number list. Both the model number and the serial number must be on the list to be affected by the recall. If an R1731, R2131, or S31 model stove is affected by the recall, the manufacture date on the model & serial number data tag will be between 05/03/2018 through 07/09/2020. The complete serial number for these stoves often begins with the five (5) digit legacy number noted on Dometic's serial number sheet; this number will need to be temporarily disregarded to determine if the stove is affected by the recall.

CUSTOMER ACTION

Contact your Newmar dealer or Newmar Customer Service to schedule an appointment to have the recall performed.

Avis de rappel de véhicule automobile : campagne de rappel nº 2020-559

Cher client :

Le présent avis vous est envoyé conformément aux exigences de la *Loi sur la sécurité automobile du Canada*.

Le présent avis vous est envoyé conformément aux exigences de la [Loi sur la sécurité automobile](#)

La présente a pour but de vous informer que votre véhicule est susceptible d'avoir un défaut qui pourrait porter atteinte à la sécurité humaine

RAISON DE CE RAPPEL

Newmar Corporation a déterminé qu'il existe un défaut lié à la sécurité des véhicules automobiles dans certaines autocaravanes.

Problème :

Pour certaines autocaravanes équipées d'un poêle au gaz propane Dometic, il pourrait y avoir une odeur de gaz propane après une courte période d'utilisation. Si un utilisateur tente de resserrer le boulon de la valve du poêle pour éliminer l'odeur, il pourrait trop serrer le boulon et endommager un joint. Cela peut entraîner une fuite de gaz continue.

Risque pour la sécurité :

Une fuite de gaz propane peut présenter un risque d'incendie ou d'explosion.

Mesure corrective :

Les concessionnaires Newmar installeront un ensemble de réparation Dometic comprenant joints, rondelles, boulons freins-filets et deux étiquettes rondes orange, sans frais. Le temps estimé pour la réparation est de 45 minutes. Si vous sentez du gaz propane à l'intérieur de votre autocaravane, vous devez immédiatement éteindre le gaz et évacuer le véhicule.

Les autocaravanes nécessitent une inspection immédiate. Continuer à utiliser ces véhicules sans les faire contrôler constitue un risque potentiel pour la sécurité.

CE QUE NOUS FERONS

Dometic fournira aux propriétaires de toutes les autocaravanes concernées une solution pour le défaut potentiel, sans frais de pièces et de main-d'œuvre.

CE QUE VOUS DEVEZ FAIRE

Comme ce défaut affecte la sécurité des véhicules à moteur, il est recommandé de communiquer immédiatement avec le service d'entretien de Newmar au **1 800 731-8300**. Un associé vous aidera à prendre rendez-vous pour que cette réparation soit effectuée par un concessionnaire Newmar.

Les réglementations fédérales exigent que tout loueur de véhicule recevant cet avis de rappel en transmette une copie au locataire dans un délai de dix jours.

Si vous avez fait effectuer la réparation avant de recevoir cette lettre, vous pourriez être admissible à un remboursement des frais liés à cette réparation. Pour de plus amples renseignements, communiquer avec Newmar Corporation :
