MSD Thread Subject

Slingshot AMT won't complete grid learn

MSD Post Content

Have taken a few calls on this. dealer tech can't get grid learn to complete. First off make sure you have a 10 amp (minimum) battery charger connected direct to the vehicles battery. Make sure Team Tip TSA-20-01 has been completed. Grid learn will not complete until that team tip has been completed on 2020& 2021 model year Slingshot product with AMT. As always...Hope this helps -Bob
