

Volvo Chassis - SNV19 - 019 - VNL/VNR Cab And Front Chassis Harnesses

> Internal Content

This notice is to inform you that we are aware the information in IMPACT for Main Cab Harness and Front

Chassis Harness on VNL/VNR vehicles built from **January 31st 2017** forward may be difficult to interpret and in

some cases inaccurate. In order to guard against the wrong harness being ordered, we recommend the

following:

Before ordering any replacement harnesses, please contact Parts Technical Services by either creating an eservice

case or calling 1-800-888-9878 for assistance. They will help identify the correct replacement harness

for your vehicle.

Information needed:

1. VIN
2. Harness being replaced: Main Cab or Front Chassis

We will be providing further updates through Service News once IMPACT has been corrected. We are also

working on repair solutions and improvements to reduce lead times.
