Product Substitution Notice - 9 inch leveling foot pads

Dear Valued Customer:

Please be advised due to supply shortages, Lippert is temporarily substituting our 9 inch leveling jack foot pads PN 3643721.

There is no change in installation or operation with the substitution. The foot pads are both 9 inches and only have small, aesthetic differences.

There is no price change with the substitution. There is no change in the top-level jack part number. For service, the sub foot pad part number is 1133091.

The change began on a running basis this week and will continue as inventory dictates. We estimate using the substitute for about a week.

Current

Temporary Sub

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Mason Ogle
