TOL NOTICE (US) – August 10, 2021

TOL Ref. # 19161-PAC

RETROFIT CONNECTIVITY MODULE - NOW FOR SPEED TRIPLE MODELS

The MyTriumph Connectivity System retrofit kits are now available for MY18 to MY20 Speed Triple models.

The initial stock is limited, so orders will be given priority on a first-come first-served basis. Back orders will be accepted and fulfilled when available. Orders of the following parts can be placed through the EPC in TOL.

Description	Part #	Price - USD
Speed Triple (RETRO) Installation Kit - NEW	A9828062	\$20.40
Tiger 800 (RETRO) Installation Kit	A9800136	\$31
Street Triple (RETRO) Installation Kit	A9800138	\$31
Bluetooth Connectivity Module	A9820200	\$230

For reference, the updated table below shows all models which now have retrofit MyTriumph Connectivity Bluetooth software available.

Model Code	Model Name	1ST VIN

Additionally, please find attached [My Triumph Connectivity Supporting Product Support Overview](#) which contains specific information concerning the permanent graphic change on the TFT for updated models. Also, please continue to use the attached [Connectivity Walk-Through and Handover Checklists](#) when presenting and installing My Triumph Connectivity for your customers.

We expect high volumes of the already-existing Bluetooth module, Part #A9820200 (shown above), to be ordered alongside the retro kits. Please prioritize your order accordingly to secure stock.

If you have any additional questions, please contact Triumph Customer Support at (888) 284-6288.
