REF #: ICI21-034

Effective: 11/15/21

Release: 11/15/21

SUBJECT: SF630 – Revised and Reactivated Bulletin

This letter is to inform you that campaign SF630, Cascadia Lane Assist Software, will be reactivated with revised work instructions today Monday, 11/15/21. Please print and use the revised bulletins for all work under SF630 from this point forward.

REVISION: The software level has been updated on the work instruction.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
