VAS 531 011 Cooling System Service Equipment - BEV Vehicles

Technical Support

2134

USA Only

Porsche Special Tools & Equipment will release the new VAS 531 011 Cooling System Service Equipment for use with all BEV Vehicles (only), starting with the Taycan. This Cooling Service Machine will be used with WM193817 and WM190107 to Drain & Fill large capacity BEV cooling systems and positive and negative pressure checks on the cooling system. The Cooling Service Machine is fully automated which can help the dealer technician safely and efficiently perform cooling system duties. The VAS 531 011 will be released as an auto-ship starting CW50/21, Monday, December 13, 2021. PCNA has worked with Snap-on to help our dealers with the total price of the VAS 531 011: \$6,615.00. Snap-on has agreed to spread the total price \$6,615.00 over 90 days. Our dealer will be billed at 30 days (\$2,205.00), 60 days (\$2,205.00) and 90 days (\$2,205.00) through our usual automatic billing process. If you have any questions about the new VAS 531 011 or the billing terms, please feel free to reach out to Porsche Special Tools & Equipment at askthetoolguy@porsche.us
