Product Substitution Notice - 8-pin harness connectors

Dear Valued Customer:

Please be advised due to a supply chain issue with our vendor, Lippert intends to substitute "mate 'n lock" 9-pin harness connectors for our Deutsch-style 8-pin harness connectors.

Current 8-pin connector

Substitute 9-pin connector

The substitution is starting immediately to ensure harness shipments to our customers are not interrupted. The substitution is temporary and will end based on availability of the 8-pin connectors.

Customers will continue to order the harnesses using the same part number. The part numbers affected are:

Unity Harnesses

2020125852

2020126761

2020126777

A 9-pin mating jumper harness PN 2021129317 (ELEC WIRE HARNS MATE-N-LOK 16 GXL MALE AWG) will be provided to OEM customers, subbing for 8-pin jumper harness 2020126126.

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Mason Ogle

VP of RV Sales
