Product Change Notice - V4 OCTP User Interface

Dear Valued Customer:

Please be advised LCI has redesigned the User Interface (UI) of the One Control Touch Panel (OCTP) as part of an effort to improve the One Control customer experience.

There is no change in part number or installation with the OCTP and the updated UI is backward compatible.

New Features:

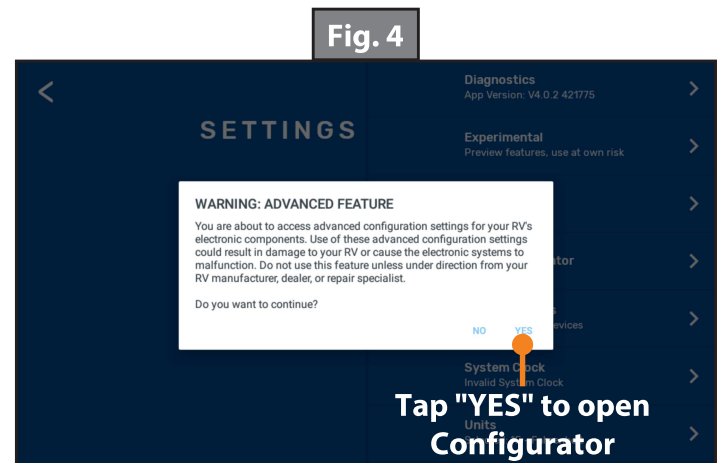

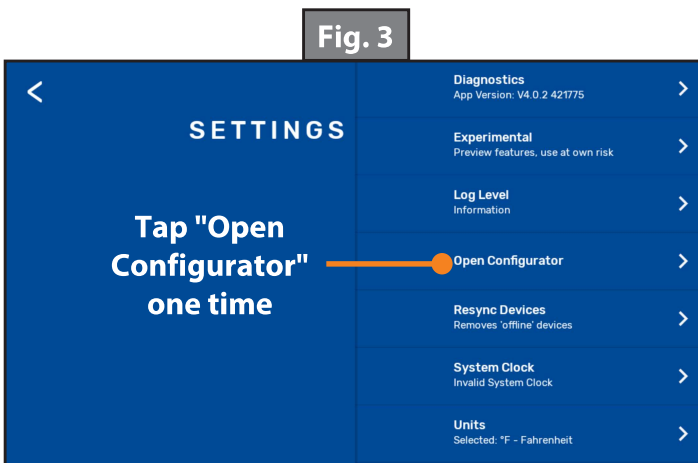

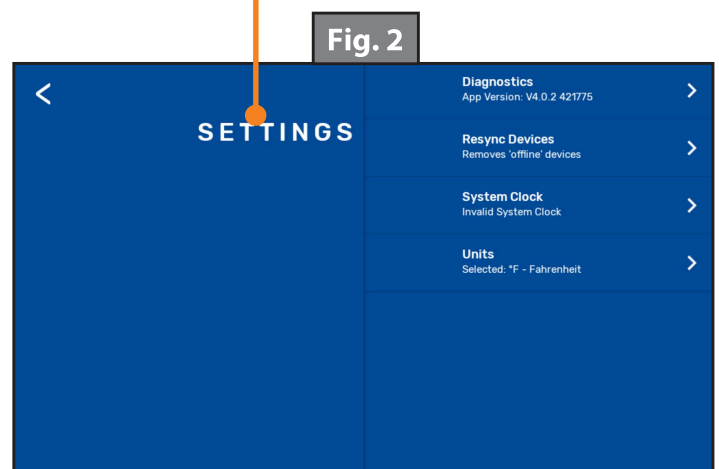

Removed "HOME," "Devices" and "Settings" screens to maximize usable screen.

- Device tabs are now located on the top right-hand side of the screen above the individual functions (Fig. 1).
- Settings are accessed by tapping the gear icon one time (Fig. 1).
- Tap the word "SETTINGS" five times (Fig. 2) to expand the number of Settings options.
- Tap "Open Configurator" one time (Fig. 3) to reach the "Advanced Feature" screen. Tap "YES" to go to Advanced Feature (Fig. 4) and open Configurator.

Tap gear icon to
access Settings

Device
tabs

Tap "SETTINGS" 5 times
to expand options

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Zachary Inbody
