Dear Colleagues,

Aston Martin has made a change to the use of transit bags; we have made the decision to use the regional specific policy's as follows:

- UK & EUR, APAC, MENA, China – Vehicles will be shipped with transit bags.
- The Americas – Vehicles will be shipped with transit bags. Vehicles will also be shipped from the factory with an additional transit bag in the boot. The additional transit bag must be fitted to the vehicle for transport after paint preparation at the port of arrival.

Note: This is not applicable to Vantage F1 Edition vehicles, and vehicles that are Satin Painted.
