Subject: LEU Overhead Radio Mounting

Mack Trucks now offers a support bracket for the overhead radio in the LEU. This is due to the radio housing not properly supporting the radio. Currently the radio is only secured by mounting tabs at front face of housing, rear of radio is unsupported.

INSTRUCTIONS:

1. Bracket Radio Support (P/N 84715876)
2. Housing (P/N 25024050)
