### “Right first time in Time”

Volvo technician uniforms are an extension of Volvo’s brand image.

With the expansion of the (hybrid and electric) vehicle model range, safety standards require wearing flame resistant uniforms for protection against heat and flame.

Some of these styles will be made with high visibility fabrics while others will have high visibility striping on them.

The updated apparel for Electrification trained technicians can be rented from your current rental laundry. The Volvo Image Apparel Program brochure includes (hybrid and electric) apparel.

On page 7 of this bulletin the reference to T8 Technician apparel includes both Hybrid and full electric.

The updated uniforms are available to all uniform suppliers. Be a part of the Volvo Image apparel program and contact your uniform company today!

If you have any additional questions please contact Kristi Hinton at 615-565-5087 or [Kristi\\_Hinton@vfc.com](mailto:Kristi_Hinton@vfc.com)

**Note: When working on EV components ensure the minimum clothing requirement is worn as per the permit to work. Refer to Service Manager Bulletin 00-015 and 00-018.**

# VOLVO AND VOLVO PERSONAL SERVICE UNIFORM PROGRAMS

Program offered  
exclusively by Red Kap®

A brand of  VF Imagewear, Inc.

NEW  
VPS ONLY

## VOLVO PERSONAL SERVICE TECHNICIAN SHIRT

IL LS HW

Bulwark® garments are designed for continuous wear. They meet applicable performance standard requirements, such as ASTM F2302, National Fire Protection Association (NFPA®) Standard 70E, Standard for Electrical Safety in the Workplace, 2012 Edition, ASTM Standard F1506-10, Flame-Resistant Materials for Wearing Apparel for Use by Electrical Workers Exposed to Momentary Electric Arc and Related Thermal Hazards. Refer to individual garment labels to confirm compliance with specific performance standards. Because these fabrics are flame-resistant, they are acceptable under the Occupational Safety & Health Administration (OSHA) Final Rule 1910.269, Final Rule on Electrical Protective Equipment. For complete information on these products, as well as laundering instructions, please visit bulwark.com.

**For more information, contact your local uniform supplier or call 1-800-REDKAP1.**

Volvo trademarks and photography are used with permission.

**CAUTION:** Garments contained in this brochure meet government flammability Class 1 requirements but do not provide protection from ignition sources, molten substances or chemical exposure. Special flame resistant garments are available if required. Product images shown here are photomechanically reproduced. As a result, colors may vary from actual fabric samples.
