Dear (Name):

This letter is to inform you that the warranty period on your vehicle's Driver and Passenger Front Seat Belt Assembly has been extended from 3 years or 36,000 miles to 15 years / Unlimited miles. This warranty extension on the Driver and Passenger Front Seat Belt Assembly applies to certain 2014 - 2015 Dodge Durango (WD) and 2014 - 2015 Jeep Grand Cherokee (WK) vehicles. Our records show that you either own or lease one of the vehicles affected by this warranty extension.

We are extending the warranty period on the Driver and Passenger Front Seat Belt Assembly because some of the vehicles within the above referenced population may experience a crack in the upper seat belt plastic guide during routine use, preventing proper retraction of the seat belt. If you are experiencing this condition now, or if you experience them in the future, simply contact your dealer to have the appropriate repairs performed. **Conversely, if you do not experience this condition, then your Driver and Passenger Front Seat Belt Assembly is operating correctly and no repair is necessary.**

If you have already experienced this condition and previously paid for a repair, you may be eligible to receive a reimbursement. Visit www.fcarecallreimbursement.com to submit an online reimbursement request. You may also complete the enclosed Customer Reimbursement Claim Form and send your original receipts, invoices and/or repair order to the following address for reimbursement. Your claim will be acted upon within 60 days of receipt:

FCA US LLC Customer Center
P.O. Box 21-8004

Attn: Reimbursement
