INTELLIGENT KEY REPLACEMENT OR SWAPPING BETWEEN VEHICLES

This bulletin has been amended. See AMENDMENT HISTORY on the last page.
Discard all previous versions of this bulletin.

APPLIED VEHICLES: All Infiniti vehicles

APPLIED SYSTEMS: Equipped with Intelligent Key

SERVICE INFORMATION

Intelligent Keys used for various Infiniti vehicles may not be interchangeable between models and years.

Although the Intelligent Keys may look the same on the outside (physical appearance) they may have different manufacturers and/or different electronic architecture on the inside.

Figure 1

DO NOT attempt to register an Intelligent Key from one vehicle to another vehicle.

- If the wrong type of Intelligent Key is being used, registration will not complete.

Make sure to confirm (using the VIN and EPC) that the Intelligent Keys being used are correct for the vehicle being worked on.

Infiniti Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. **NOTE:** If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Infiniti retailer to determine if this applies to your vehicle.
