Audi Warranty

Number: AWA-22-01

Subject: MY17-18 Q7 Brake Extension

Date: February 11, 2022

Dealers: U.S., Puerto Rico

This document modifies the Audi Warranty Policies and Procedures Manual.

Effective Reception Date: February 11, 2022

The following front brake warranty extension is applicable for certain Audi vehicles. Affected vehicles include:

- MY 2017-2018 Audi Q7 vehicles

Note: This extension only applies to specific vehicles identified with Warranty Key U48.

To determine if a vehicle is eligible for this extension, check in the VIN in ElsaPro >> Vehicle Data. If the warranty extension is applicable to the vehicle, the “Warranty Key” section of the “Vehicle Data” screen in ElsaPro will be populated with Warranty Key U50.

Front Brake Limited Warranty Extension

For applicable vehicles, the New Vehicle Limited Warranty will be extended to cover repair or replacement (by an authorized Audi dealer) of complaints of squealing noise from the front brakes during a period of 4 years or 48,000 miles, whichever occurs first, from the vehicle’s original in-service date.

The vehicle’s original in-service date is defined as the date the vehicle was delivered to either the original purchaser or the original lessee; or if the vehicle was first placed in service as a “demonstrator” or “company” car, on the date such vehicle was first placed in service.

What is Covered?

The warranty extension will be subject to the terms and conditions of the original applicable New Vehicle Limited Warranty (other than the extended time/mileage period) and will include the front brakes and any parts and labor necessary to effectuate a repair. It will apply to all vehicles irrespective of whether the vehicle has been repaired on or before the effective date.

Damage resulting from outside influences, such as but not limited to, abuse, alteration or modification, a collision or crash, vandalism and/or other impact is excluded and not covered under the extended warranty. Repair or replacement under this extended warranty must be performed by an authorized Audi dealer.
