Reason for this Service Action

Aston Martin has identified some Vantage vehicles that must have a swing clearance check completed to make sure the doors have the correct clearance when opened.

Do the workshop procedure that follows to do a swing clearance check of the doors, and if necessary complete the applicable adjustment procedure.

Workshop Procedure

1. Do a swing clearance check of the doors (refer to Workshop Manual Procedure 00.10.DF).
2. If adjustment is not necessary, no further action is necessary.
3. If adjustment is necessary, refer to the applicable adjustment procedure in the workshop manual.

Warranty Data

Note: Before the warranty repair is started, photograph the affected area(s). The photograph(s) must be attached to the repair order for audit purposes.
